Teammate Evaluation

1. Nathan R. 93% - Was very key on the social media and payment implementation on the website.
2. Dominic O. 94%- Helped a lot with the documentation and made the gym locator on the website.
3. Drew F. 97% - Was the team leader and keep things on track for the project.
4. Michael M. 96% - Did a lot of research on the project and really was key into the different types of accounts on the website.
5. Daniel A. - 92% - Was in charge of the game and did a great job implementing it into the website.

Overall I enjoyed this project and the group I was in. They responded when needed and really worked together. I tried my best to help with whatever was needed in the project and I enjoyed working with them.
